PRACTICE GREATNESS

*as compared to the statewide July 2019 Pennsylvania bar exam first-attempt pass rate of 80.6%

Beyond the Numbers

Before attending Dickinson Law, members of the class of 2022:

researched the effects of monoclonal antibodies and hormones on tumor expression as an undergraduate research assistant

prepared English curriculum for secondary school students in Benin, West Africa as a Peace Corps volunteer

served as lead caseworker for an immigration legal aid clinic focusing on migrant and refugee communities in El Paso, Texas

collected and processed sonar and oceanographic data to create high-quality, publicly accessible bathymetric maps for the National Oceanic and Atmospheric Administration (NOAA)

worked as a defense paralegal at McConnell Air Force Base

provided humanitarian and relief efforts for victims of earthquakes as a responder for the American Red Cross

founded start-ups across a variety of industries, and continue to own and operate those businesses today

volunteered as global ambassadors, mentors, tutors, and counselors, and served both national and international nonprofit organizations
