WORK EXPERIENCE

THE PENN STATE UNIVERSITY DICKINSON LAW

Carlisle, PA

Assistant Professor of Lawyering Skills and Director of Academic Success & Bar Preparation

June 2020- Current

- Assist with the planning of academic success programming during orientation.
- Develop and implement programming to assist students with legal skill development.
- Facilitate individual academic interventions for students in the bottom of the class quartile.
- Counsel students on scheduling, time management, study strategies, and exam preparation.
- Chair the 1L Faculty Group to identify and assess practices to better accommodate the needs of students through anecdotal data and data collected from various methods of formative assessments.
- Instruct law students in classes focused on substantive law and advanced legal analysis to assist with bar preparation.
- Develop and implement programming to assist students with application processes, testing strategies, and planning for the MPRE and bar examination.
- Teach *Fundamental Skills for the Bar Exam*, a course that focuses on substantive law and advanced legal analysis to assist with skill mastery for the bar examination.
- Counsel students on character and fitness and required disclosures.
- Develop and implement the law school’s supplemental bar prep program twice a year.
- Provide individualized support to graduates studying for the bar exam in the areas of scheduling, testing anxiety, stress management, commercial course maintenance, essay writing, performance test strategies, and multiple choice test taking strategies.

NORTH CAROLINA CENTRAL UNIVERSITY SCHOOL OF LAW

Durham, NC

Director of Bar Preparation & Support

February 2015- March 2020

- Evaluated policies enforced by the American Bar Association to ensure bar passage compliance.
- Designed & developed a bar prep program for law students and graduates that addresses both substantive and strategic deficiencies for in state and out of state bar exams.
- Assessed the preparation needs of law students and graduates prior to and during preparation for the bar exam to implement programs and provide resources on an ongoing basis.
- Evaluated trends with law school admissions and bar passage rates to determine correlations between standardized test scores, law course performance, and bar performance.
- Instructed law students in classes focused on substantive law and advanced legal analysis.
- Developed, introduced, and instructed a new course, *Systematic Problem Solving*, that focuses on strategy and techniques designed to improve scores on the bar exam.

- Collaborated with Student Affairs and Admissions to address the needs of incoming 1Ls to determine skill strengths and weaknesses and how this will effect ultimate performance on the bar exam.
- Collaborated with Bar Enhancement Committee and Academic Support to identify and address the needs of law students preparing for the bar exam by providing personalized study plans to resolve issues identified.
- Recommended and drafted contracts focused on institutional investments and programming to improve outcomes in the areas of bar preparation and retention.
