“For the Many Hours You Have Given To Help Us Make a Difference for Veterans”**

Responsible for directing the clinic and supervising law students who (1) represent veterans in their VA disability compensation, pension and education appeals; (2) evaluate cases and perform research for veterans and service members; and (3) address federal or state policy matters affecting veterans and servicemembers, including research and writing for amici briefs and commenting on proposed legislation and regulations. Assisted 88 veterans and their families across the Commonwealth from 25 counties with winning awards totaling over \$4.7 million dollars in benefits from the U.S. Department of Veterans Affairs over the past nine years. Supervised students who counseled over 370 other veterans through the clinic’s online and in person outreach events to answer questions, perform research, and refer veterans to other attorneys or organizations. Assisted nine Vietnam veterans with leukemia or their spouses to win service connection, 100% disability ratings and/or survivor benefits, filed two other leukemia appeals which are still pending, and assisted six other families with their Agent Orange-leukemia claims. Used leukemia-toxin expertise to assist a Vietnam-era veteran, an Air Force veteran from peacetime, and a post 9/11 veteran to win 100% disability ratings for leukemia, including two backpay awards related to stateside military base exposure to toxins. Won 23- and 43-year back pay awards worth more than \$690,000, and an ongoing 100% disability rating, special monthly compensation and service connection for Parkinson’s for a Cold War veteran who was injected with the toxin VX in a covert CIA chemical research program at Edgewood, and assisted three other Edgewood victims with their claims, and all three won 100% disability payments for life. Helped Vietnam veterans to win service connection, increased ratings, accrued benefits and/or survivor claims for ischemic heart disease, urothelial cell carcinoma, lymphoma, prostate cancer, peripheral neuropathy, PTSD, TDIU/unemployability benefits, and other conditions. Won two CUE claims resulting in large back pay awards for the clients. Assisted a Gulf War veteran with a discharge upgrade, follow-on VA benefits for PTSD and a TBI, and a federal action for medical military retirement benefits. Assisted three Penn State student veterans to obtain education benefits on appeal and another education appeal is pending, assisted two Korean Conflict veterans and one World War II veteran to obtain pension benefits, and one Korean Conflict veteran to win service connection for stomach cancer. Assisted Gulf War and recently discharged veterans to obtain service connection for PTSD, TBI, TDIU and won CAVC remand for Gulf War veteran to pursue aid and attendance. Assisted PA National Guard members to obtain service connection for hip, knee and ankle injuries, peripheral neuropathy, sleep apnea, and TDIU. Assisted veteran exposed to Camp Lejeune contamination to obtain a 60% disability rating related to bladder cancer, and assisted him with two additional cancer claims. Gave USERRA briefings and served on committees for PA ESGR. Responsible to teach Veterans Benefits, 2017 to the present, Civil Pretrial Practice and Advocacy, 2014-2021, pre-LLM students U.S. legal system and legal writing, 2013 – 2015, legal research, writing, and analysis to first year law students, and upper-level writing courses, including Appellate Advocacy, August 2008 – May 2015
